Welcome to SaorEd

A free online learning platform for you to use any time, any place, and at your own pace

What is SaorEd?

- SaorEd is a new, free online education platform for international protection applicants, refugees, and underserved communities in Ireland.

- On this platform you will find courses to improve your English Language skills, IT skills, prepare for university, and much more.

- Courses are currently available in a mixture of Arabic and English.

- We aim to continue to update and add more courses as time moves on.
